16 HOOPA VALLEY TRIBE,

17 Plaintiff,

18 v.

19 UNITED STATES BUREAU OF  
20 RECLAMATION, et al.,

21 Defendants,

22 And

23 WESTLANDS WATER DISTRICT,

24 Intervenor-Defendant.

Case No. 1:20-cv-01814-JLT-EPG

**WESTLANDS WATER DISTRICT'S  
REQUEST FOR JUDICIAL NOTICE IN  
SUPPORT OF MOTION TO DISMISS**

Hearing Date: June 13, 2023  
Courtroom: 4 – 7th Floor, Fresno  
Judge: Hon. Jennifer L. Thurston

Trial Date: None  
Action Filed: August 13, 2020

**TO THE COURT AND ALL PARTIES AND THEIR COUNSEL OF RECORD:**

**PLEASE TAKE NOTICE** that pursuant to Federal Rule of Evidence (“FRE”) 201, Defendant Westlands Water District (“Westlands”) respectfully request that the Court take judicial notice of specific facts reflected in the following document:

Bureau of Reclamation, Central Valley Operations, Summary of Water Supply Allocations, *available at* [https://www.usbr.gov/mp/cvo/vungvari/water\\_allocations\\_historical.pdf](https://www.usbr.gov/mp/cvo/vungvari/water_allocations_historical.pdf) (last visited March 13, 2023), a true and correct copy of which is attached hereto as **Exhibit 1**.

## DISCUSSION

**Exhibit 1** is a summary of historical water supply allocations to CVP contractors. The document is available on Reclamation's website. The specific facts that Westlands requests the Court take judicial notice of is that water allocations to CVP contractors, including Westlands (which is a South of Delta Agricultural Contractor), have frequently been less than 100% both before and after the effective date of Westlands' primarily Repayment Contract. See ECF No. 125-2, at 12 (showing the effective date as June 1, 2022).

**Exhibit 1** and the specific facts for which Westlands requests judicial notice are judicially noticeable pursuant to FRE 201, which allows the Court to take judicial notice of any fact “not subject to reasonable dispute in that it is either (1) generally known within the territorial jurisdiction of the trial court or (2) capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned.” Fed. R. Evid. 201(b).

It is well established in the Ninth Circuit that a court may take judicial notice of both the authenticity and the accuracy of information on a government website when “neither party disputes the authenticity of the web sites or the accuracy of the information displayed therein.” *Daniels-Hall v. Nat’l Educ. Ass’n*, 629 F.3d 992, 998–99 (9th Cir. 2010); *See also San Luis & Delta–Mendota Water Auth. v. Salazar*, 686 F.Supp.2d 1026, 1031 (E.D. Cal. 2009) (taking judicial notice of public records published by administrative bodies); *United States v. S. Cal. Edison Co.*, 300 F.Supp.2d 964, 975 (E.D. Cal. 2004) (taking judicial notice “of the existence and

1 authenticity” of “public and quasi public documents”). Finally, a matter that is properly the  
2 subject of judicial notice may be considered along with the complaint when deciding a motion to  
3 dismiss for failure to state a claim. *Skilstaf, Inc. v. CVS Caremark Corp.*, 669 F3d 1005, 1016, fn.  
4 9 (9th Cir. 2012); *In re Colonial Mortg. Bankers Corp.*, 324 F3d 12, 16, 19 (1st Cir. 2003);  
5 *Henson v. CSC Credit Services*, 29 F3d 280, 284 (7th Cir. 1994).

7 Respectfully submitted,

8 Dated: March 20, 2023
